

## Anglian Boxer Club. dogs

Having 'lost' a breed club show because of covid I was delighted to be able to judge the males at the East Anglian's show. Boxers are such characters and their owners always seem to be having a good time. Barbara Morison judged the bitches, and we quickly agreed all of the 'in show' awards, with RBIS and BP going to 2 really lovely young bitches. I think the breed is in good shape, with a lot of good dogs being shown. Most were of correct shape and proportions and generally movement was quite good.

### Veteran D (5,1)

Really nice dogs here to start

#### 1/ Ch Winuwuk Scouting for Girls at Lorrosa

Liked his proportions and was the best mover in this class. Well balanced head which could be slightly cleaner now. Strong neck with a let laid shoulder. Better feet than 2. Chest to elbow. Slight slope in his topline. Well bent stifle with low hocks. Accurate enough out and back and has a long stride. BVIS

#### 2. Diceulon the Desperado with Winuwuk

Liked his head the best in class. He has a strong and crested neck, more moderate in front angulation and feet could be better than 1, and turns feet in rather on the move. Deep chest. Lightly more compact than winner. Moderate rear that matches his front. Lovely character.

#### 3. Vandenrob Timeless Style at Kelsant

### Minor Puppy D (3,1)

2 very raw pups at an awkward stage.

#### 1. Havlin Nordic Mystery

He has nice proportions. Masculine in head. Clean cheeks, strong neck. Chest to elbow. Slightly high at the rear at the moment. Enough turn of stifle with low hocks. Side winds on the move.

#### 2. Scrivbox Danny Boy

V much a baby with some more growing to do. Moderate in neck. Liked his proportions. Well-made rear, but needs to strengthen. Loses his topline on the move.

### Puppy D (19, 1)

#### 1. Galicar Inawrap with Limuboxa

Really liked his outline and substance. Could be slightly longer in muzzle. Lovely eye and expression. Strong neck and a firm topline. Feet can tighten. V good rear. Can tighten coming towards but hold his outline and has a long free stride. See he is a son of the CC winner. BPD

#### 2. Newlaithe Super Natural

Another well proportioned d who holds himself well in profile action. Masculine head. Good eye and expression. Strong neck. Not the shoulder of 1. Firm, slightly sloping topline, good rear. Can just firm in out and back movement but profile is excellent.

3. Lorrosa Relight My Fire

Junior D (6,,2)

Very much a mixed class for types here, so not easy to sort out.

1. Bouncyparade Last Song

Strong male who looks far better moving than stood, where his topline slopes far too much, in European style of standing. He is v well muscled and super to go over with a well laid shoulder. Lengthy upper arm. Well sprung ribs that go well back. Good turn of stifle with low hocks. Could have a longer muzzle. Super eye and expression. Got more settled as class progressed, certainly a strong and powerful d.

2. Manorbreds Rile On Time at Kelsant

This is a nicely balanced d. Could be better in muzzle. Strong neck. Deep and well filled chest. Just a bit long in loin. Steady and balanced mover.

3. Glenauld Arthur Shelby

Yearling D (2)

1. Glenauld Stormzy

He has an impressive outline and plenty of substance without being overdone. Fair length of muzzle, good chin. Likes his expression. Strong neck. Shoulders could be slightly better laid. Chest to elbow and well filled. Well sprung ribs. Firm topline. Good rear. V good in profile, where his long stride holding his outline took him to the RCC.

2. Jamonik Ilex Glabra

In very playful mood, lovely temperament, still needs to develop in body. Pleasing head. Good neck. Can improve in pasterns and feet. Needs weight and body. Moderate rear.

Novice D (5)

1. Geenawell Red Knight by Farvalley

Lots to like about this d. Square in outline and holds himself well on the move. Quite a good head. Strong neck. Best front in class. Well filled chest. Slight slope to his topline, v good rear. Could be better out and back. In v hard muscle.

2. Cherryforge Gailieo

Earnt this place on his v good outline. Would like a longer muzzle. V good neckh. Shoulder could be better, lengthy upper arm. Well bodied with a short loin. Just a little too much hind angulation, reflected in the move.

### 3. Barbarossa Paddy Power

#### Graduate D (12,3)

##### 1. Tyslee Hearwave

Shapely d who holds himself well on the move, although he could put a bit more effort into it. Liked his head for balance, with dark, expressive eyes. Long neck. Shoulders are a bit forward. Well filled, deep chest. Strong, slightly sloping topline. Well made rear with low hocks.

##### 2. Olleyville James Dean at Qhirlobox

Goes with plenty of zip. Would prefer a cleaner head. Super neck. Decent front. Deep chest. Short back with a slight slope. Well bent stifle and low hocks. Not quite the balance of angulation of 1 so not quite as good out and back, but a good dog.

##### 3. Attomic Mirror Man

#### Post Graduate D (6)

##### 1. Newlaithe Diddle On

Quite a well balanced dog who was fairly good out and back. Masc head, but could have a better muzzle. Super neck. Liked his depth and fill of chest. Well ribbed. Well made rear.

##### 2. Manic Keep it Real for Enesha

Liked his proportions. Masc head with good eye and expression. Long neck. Decent front. Topline slopes just a little too much. Good rear. Fairly accurate mover with a long stride.

##### 3. Berwynfa Fifty Shadz Freed

#### Limit D (9,1)

This was a v competitive class.

##### 1. Olleyville Stanley Man at Whirlobox

He is a v good shape and so v well made. Masc in head. Good eyes and expression. Super neck. Just slightly better in front than 2. Deep chest. Super topline. V good rear. Fairly accurate out and back and holds a super outline going with a long stride. Just faded slightly in the challenge and let the yearling nudge him out of a green card, certainly champion quality.

##### 2. Berwynfa Billionaire

He is also a super shape and slightly better in head than 1 Long and strong neck. Well laid shoulder, could have a bit more fill in front. Super rib and topline. V good rear. Also fairly accurate with a long and easy stride.

##### 3. Winuwuk In The Name of Lust

#### Open D (3)

Only 3 here but all real champion quality mature males.

### 1. Ch Galicar Livestigating with Limubox

He has a super outline, square and plenty of substance. Masc head, slightly short in muzzle. Super neck. Best shoulder in class and has a well filled chest. Well ribbed. Firm in topline. Well angulated rear without being overdone. Super feet. Accurate on move and has a long and easy stride, covering the ground with easy. Top class dog, CC and BIS

### 2. Ch Lanfrese Argento

He has a super outline, really square. Excellent, masc head with a lovely eye and expression. Super neck. Deep chest. Firm in topline. He too has a super rear which is so well muscled up. Today not quite matching 1 in profile action, but full of quality.

### 3. Maranseen Lonesman at Berwynfa

Jeff Horswell
