

Anglian Boxer Club Special Puppy & Junior Event 20/09/2025

Judge Lorraine Ames (Thenamy)

Thank you to the committee for inviting me to judge this event and to the exhibitors for bringing some super youngsters. Thank you also to my excellent stewards.

Class a. Baby Puppy Dog 4-6 months 4(2)

1. **Van-Beck's Another Bug with Newlaithe.** R/W 5mths presenting a compact, square outline. Front was good with well-laid shoulders balanced to a nicely angulated rear. Slightly sloping topline and correct tail set. Nice tight feet for a baby. Head was strong with super dark eyes, padded muzzle with a wide, straight mouth and correctly set ears. Mischievous expression. Lovely to see a super confident baby who moved out well, and pleased to award him Best Special Baby Puppy in Event.
2. **Eaves' Kajobox Kick Start.** Dark B/W 4mths with a sharp outline. A more elegant dog who is a tad longer at this stage. Good front, standing well over parallel legs. Cleaner head, which was well padded, another super wide mouth. Kind expression. Moved out steadily.

Class b. Baby Puppy Bitch 4-6 months 2(1)

1. **Eaves' Kajobox Jump Start.** Dark B/W 4 mths, presenting a square outline. Balanced angles front to rear, short-coupled. Slightly sloping topline. Good reach of neck. Stands well over parallel legs, nicely filled in front. Pleasing. clean head with a blocky muzzle, balanced to skull. Moved well for such a baby.

Class c. Puppy Dog 6-8 months 2(0)

1. **Renshaw Turner & Turner's Newlaithe Northern Soul at Sonshoby.** Square B/W 7mths, with a crisp elegant outline, still raw as expected, but everything in the right place. Good front, clean over the shoulders and well-angulated rear. Flows nicely from his crested neck into withers, correct slope to topline and good tail set. Pleasing, expressive head, full of attitude and mischief, with well-padded muzzle and big nostrils. Nice wide mouth. Just needs time to body up. Moved well.
2. **Carter's Susancar Finn Ominal.** B/W 7 mths, with more substance than 1 but still retaining elegance. Presented a pleasing, balanced outline and bang on tail set. Super cat feet. Clean, well laid shoulders, Balanced head with a kind expression, and well padded muzzle. Another good mover, just preferred the head on 1 at this stage.

Class d. Puppy Dog 8-10 Months 2(0)

1. **Kavanagh's Marbleton Mix'n Match.** Striking R/W dog 8mths, compact square outline with super front and moderately angulated rear. Nice short back, correct tail set. Stood well over front legs. Powerful male felt lovely to go over. Super head, with dark, well-padded muzzle, correctly shaped dark eyes, evident chin and well set ears, excellent mouth, big nostrils. Will watch his progress with interest. Best Special Puppy Dog.
2. **Wilkes' Marbleton Ebb'n Flo.** R/W dog 8mths. Rangier than 1, and appears a tad longer at this stage. Good front, balanced to well-angulated rear, lovely reach of neck, nicely arched. Clean head of correct proportions, nice dark eye.
